

Agreement about data exchange at HALO-(AC)³

Agreement about data exchange regarding HALO-(AC)³ for (AC)³-members who are not liable to the HALO Data Policy

The undersigned applies to become an Associated Scientist at the campaign HALO-(AC)³ as defined in the HALO Data Policy § 1. This grants the same access rights to data as stipulated in the HALO Data Policy for Data Providers and Mission Contributors. Above all, this includes the access to the data as soon as they are uploaded to an adequate repository, no later than six months after the conclusion of the campaign HALO-(AC)³. The undersigned understands that disclosing the obtained data to non-members of HALO-(AC)³ is only allowed with the explicit consent of the respective Data Provider.

In return, the undersigned agrees to provide access to the data contributed by him/her during the campaign HALO-(AC)³ to each participant of HALO-(AC)³, including non-(AC)³-members. The data shall be available to the HALO-(AC)³ participants at the same time they are shared within (AC)³, which is no later than six months after the conclusion of the campaign HALO-(AC)³. The data will not be disclosed to non-members of HALO-(AC)³ without the explicit consent of the undersigned.

The undersigned agrees to the above stated terms of data exchange at the mission HALO-(AC)³.
